

Planning Petition Information for PLNPCM2020-00979

Conditional Use

Request Type: Conditional Use

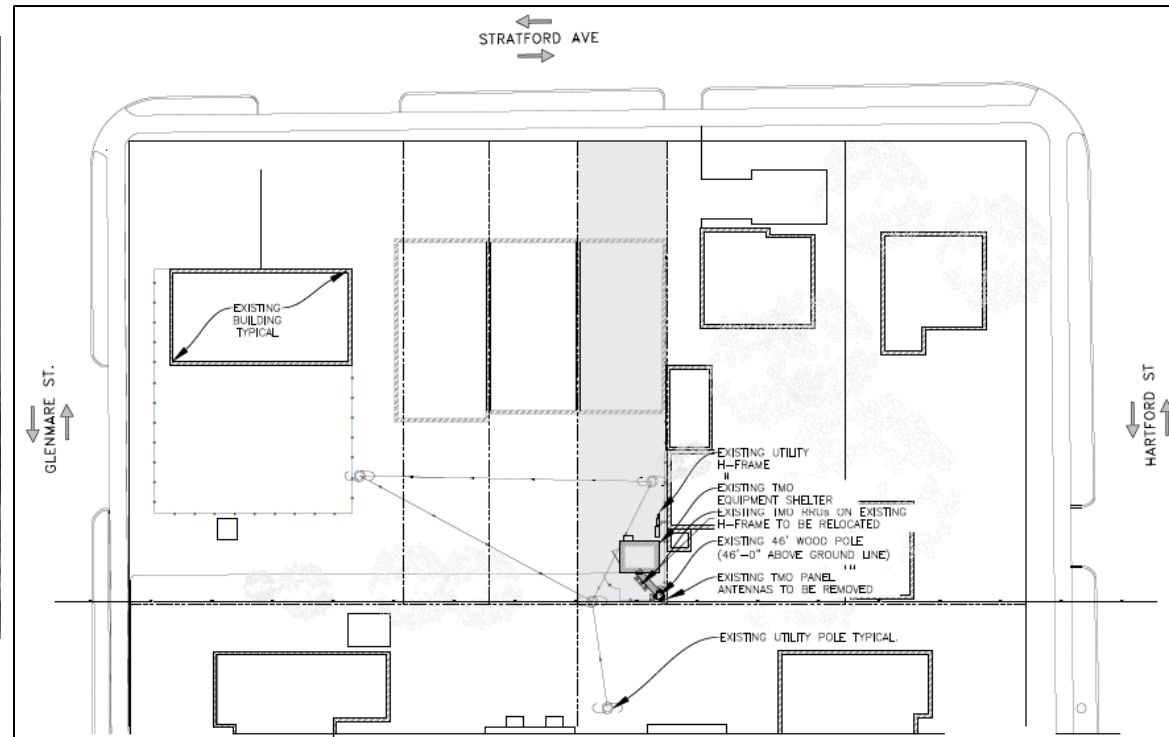

Location: 1596 E. Stratford

Zone: CN, Neighborhood Commercial

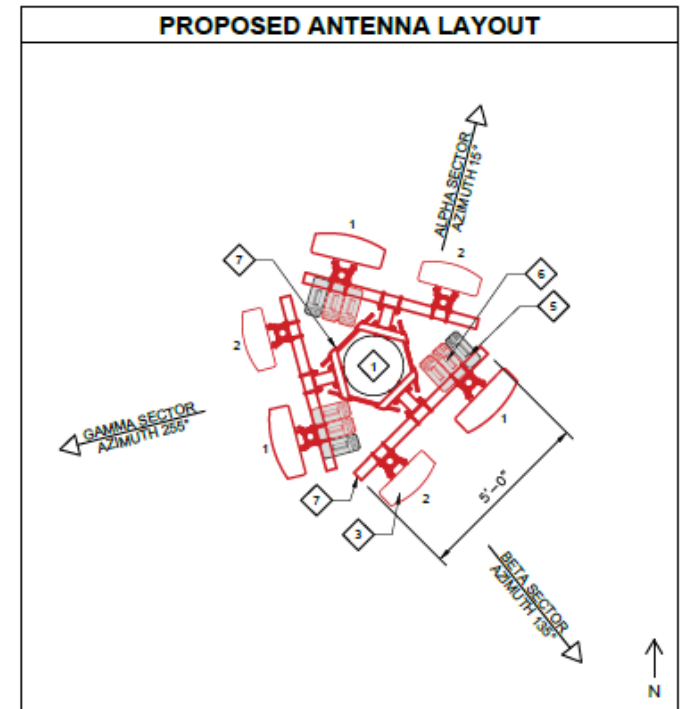

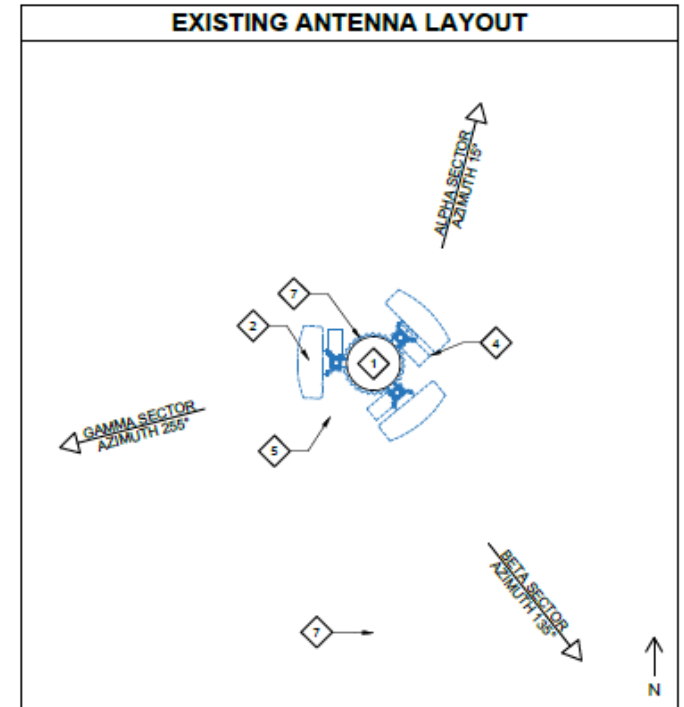

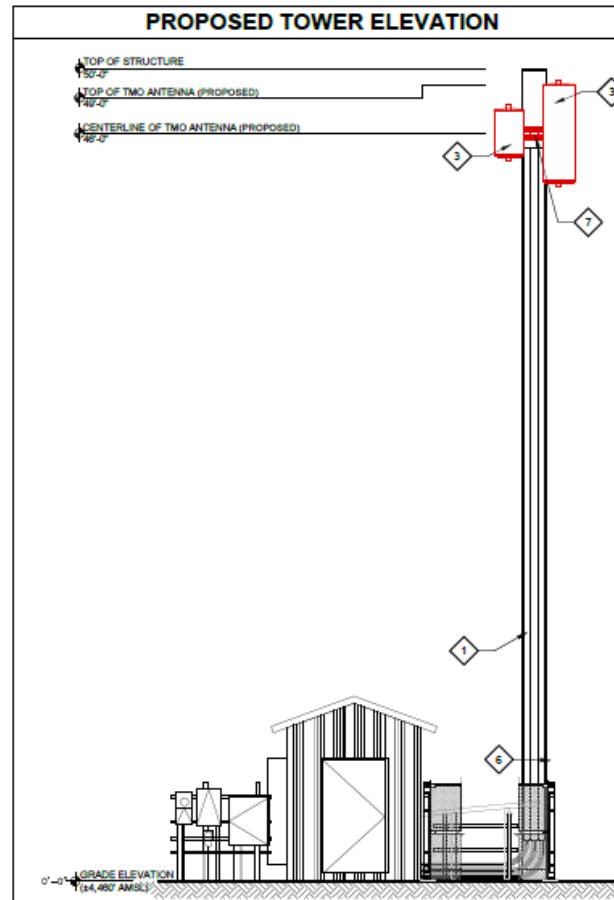

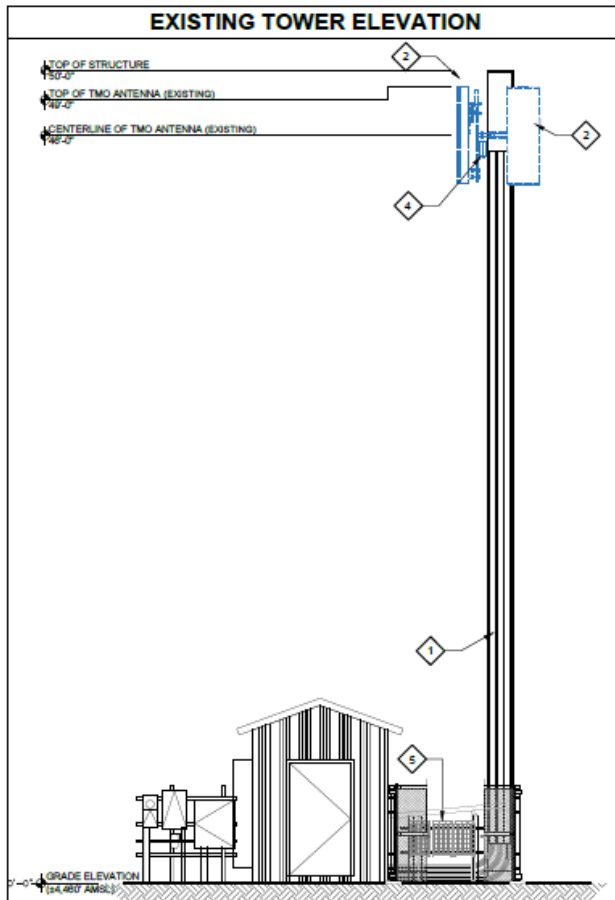

Request Description:

Britton Knaphus, representing T-Mobile, has initiated the above-mentioned Planning Petition to accommodate the expansion of a utility pole mounted antenna array. The existing antenna array is located on an existing utility pole to the south of the subject property. The existing antenna array is associated with an approved conditional use from 2006. The existing antenna array will be expanding in diameter, which requires a new conditional use.
