

Recognized Organization Input Notification Zoning Map Amendment

TO: Landon Clark, Chair, Sugar House Community Council
FROM: Chris Earl, Associate Planner, Salt Lake City Planning Division
(christopher.earl@slcgov.com or 801-535-7932)
DATE: March 12, 2020
RE: PLNPCM2020-00108 – Zoning Map Amendment at 2960, 2964 & 2970 S Richmond Street

The Planning Division has received the below request and is notifying your organization to solicit comments on the proposal:

Request Type: Zoning Map Amendment

Location: 2960, 2964 and 2970 S Richmond Street

Zone: R-1/7,000 Single-Family Residential District

Request Description:

Mike Akerlow, with Community Development Corporation of Utah, property owner, is requesting a Zoning Map Amendment to rezone the property at approximately 2960, 2964 and 2970 S Richmond Street from R-1/7,000 Single-Family Residential District to R-MU-45 Residential/Mixed Use District. The applicant would like to rezone the property which would allow for an approximately 60-unit mixed income housing development. The applicant argues that much of the surrounding development is moving towards higher density and this project is compatible with that growth and would help reach the housing goals of Salt Lake City.

I have attached information submitted by the applicant relating to the project to facilitate your review as well as an information sheet that outlines the project area clearly.

Request for Input from Your Recognized Organization

As part of this process, the applicant is required to solicit comments from Recognized Organizations. The purpose of the Recognized Organization review is to inform the community of the project and solicit comments/concerns they have with the project. The Recognized Organization may also take a vote to determine whether there is support for the project, but this is not required.

Per City Code 2.60.050 - The recognized community organization chair(s) have **forty-five (45) days** to provide comments, from the date the notice was sent. A public hearing will not be held, nor will a final decision be made about the project within the forty five (45) day notice period. This notice period ends on the following day:

April 27, 2020

Please contact me to let me know if you would like the applicant to attend and present their proposal at one of your meetings within this 45 day period. Please indicate the day and time of your meeting and staff will coordinate with the applicant to attend your meeting. Planning staff will be available at the meeting to answer any questions related to decision standards or the decision-making process.

Comment Guidance

Public comments will be received up to the date of the Planning Commission public hearing. However, you should submit your organization's comments within 45 days of receiving this notice in order for those comments to be included in the staff report.

As a Recognized Organization, we ask that you address the following questions in your comments:

- What issues were raised at the meeting and whether any suggestions were made to address the issues.
- The number of persons that attended the meeting (not including those with the applicant or City Staff).
- Whether a vote was taken on the matter and if so, what the vote tally was.

Approval Criteria for the Zoning Map Amendment Request

For your reference, the following are criteria that the Planning Commission and City Council will use to make its decision. The City's technical staff will review the project to ensure it complies with adopted policies and regulations. Input from your organization may be more general in nature but we recommend that you also consider the below approval criteria:

21A.50.050: STANDARDS FOR GENERAL AMENDMENTS:

A decision to amend the text of this title or the zoning map by general amendment is a matter committed to the legislative discretion of the city council and is not controlled by any one standard.

1. Whether a proposed map amendment is consistent with the purposes, goals, objectives, and policies of the city as stated through its various adopted planning documents;
2. Whether a proposed map amendment furthers the specific purpose statements of the zoning ordinance;
3. The extent to which a proposed map amendment will affect adjacent properties;
4. Whether a proposed map amendment is consistent with the purposes and provisions of any applicable overlay zoning districts which may impose additional standards; and
5. The adequacy of public facilities and services intended to serve the subject property, including, but not limited to, roadways, parks and recreational facilities, police and fire protection, schools, stormwater drainage systems, water supplies, and wastewater and refuse collection.

Comment Submission Address

You may submit your written comments via e-mail to christopher.earl@slcgov.com or mail them to:
